

We would be delighted to carry out your machinery type examination, but first we need some information about your company and your machinery. Please provide the following:

Company Name:	
Address and post code:	
Contact Person:	
Position:	
Tel. No:	
Email:	
Website:	

Are you applying to amtri veritas for UK Type Examination for UKCA marking?	
Are you applying to kuiper certificering for EC Type Examination for CE marking?	

Name of the machinery:	
Please describe the machine (or range of machines):	
List all company sites of manufacture of the machinery including address details:	
Is this a single machine or a range of machines?	
If a range of machines, please give details on all the machines in the range and explain differences:	
Please give details of additional accessories, if any:	

<p>If this application is for a Category 17 machine (e.g. MEWP), are you applying for assessment against EN 280-1? If yes, are you intending to fit anchor points that may be used with fall arrest devices? <i>Note: Anchor points marked for use with fall arrest devices are not compliant with EN 280:2013 +A1:2015</i></p>					
<p>If you are not the manufacturer of the equipment, please provide the name and address of the original manufacturer:</p>	<table border="1"> <tr><td> </td></tr> <tr><td> </td></tr> <tr><td> </td></tr> <tr><td> </td></tr> </table>				
<p>Which ISO, harmonised and designated standards have been used in the design process?</p>					
<p>Will there be series production of the machine or range of machinery?</p>					
<p>If yes, how will you ensure quality assurance in this process?</p>					
<p>Do you operate a Quality Management System certified to ISO 9001?</p>					
<p>If yes, please state the current certificate number and expiry date.</p>					
<p>Has this machine, or part or all of this range of machines been previously certified by amtri veritas or kuiper certificering?</p>					
<p>If yes, please provide details:</p>					
<p>Give the name and address of any Authorised Representative* in the UK with a written mandate to meet some or all of the duties of compliance in the UK?</p>	<table border="1"> <tr><td> </td></tr> <tr><td> </td></tr> <tr><td> </td></tr> <tr><td> </td></tr> </table>				

Give the name and address of any Authorised Representative* in the EU with a written mandate to meet some or all of the duties of compliance in the EU?	

* An Authorised Representative should not be confused with the 'person authorised to compile the technical file' stated on the Declaration of Conformity. Using an Authorised Representative is optional – it is a way of delegating some or all of the duties of compliance to another legal person.

If you use an Authorised Representative, please ensure that the Authorised Representative is stated on the machine marking, on the Declaration of Conformity and in the Instructions.

Please provide any other information that would be helpful in describing your needs:	
--	--

Please send us:	A link to the website providing an overview of the product or product range
	The technical file(s) for the machine or range of machines

By submitting this application, I declare that:

- the information provided is true and accurate,
- I am authorised to submit this application as the responsible person on my company's behalf,
- I consent to any necessary transfer of information such as the technical file between **amtri veritas** and **kuiper certificering**,
- if I am applying for UK type examination, the application has not been submitted to, or lodged with, another Approved Body, and
- if I am applying for EU type examination, the application has not been submitted to, or lodged with, another Notified Body.

Completed by (name):	
Position in Company:	
Date:	

Once completed, please email this form to **office@amtriveritas.com**.

When we have reviewed your details, we will prepare a quotation for you.

If you have applied for UK type-examination only, the evaluation of compliance and any certification will be made by **amtri veritas**.

If you have applied for EC type-examination only, the evaluation of compliance and any certification will be made by **kuiper certificering**.

If you have applied for both UK and EC type-examination, the evaluation of compliance and any EC certification will be made by **kuiper certificering**. Any UK certification will be made by **amtri veritas** on the basis of the evaluation conducted by **kuiper certificering**.
